5) Returned with compliments. So far as the Insurance Office is concerned, the change in name is certainly desirable, as it will describe correctly the nature of the organisation. But before giving effect to it, legal opinion may kindly be obtained as to whether the proposed alteration would affect in any way the interests of either the office or the insured and whether it would not necessitate a change also in the name of the Mysore State Life Insurance Regulations (Regulation No. IV of 1917 and Regulation No. IV of 1921).
